Greener Ways to Care for your Boat!

Traditional Product	Try Alternative Methods
Bleach	Borax or hydrogen peroxide
Detergent or Soap	Non-toxic, biodegradable soap with elbow grease
Scouring Powders	Baking soda
Floor Cleaner	One cup white vinegar in two gallons of water
Window Cleaner	One capful of vinegar in one-quart warm water
General Cleaner	Bicarbonate of soda & vinegar, or lemon juice combined with natural enzymes
Shower Cleaner	Wet surface, sprinkle on baking soda, rub surface with scouring cloth
Aluminum Cleaner	Two tablespoons Cream of Tartar to one-quart hot water
Brass Cleaner	Worcestershire sauce or paste of equal parts salt, vinegar & water
Copper Cleaner	Lemon juice and salt
Chrome Cleaner	Apple cider vinegar to clean & baby oil to polish
Fiberglass Stain	Baking soda paste
Drain Opener	Disassemble or use plumber's snake; don't use harmful substances in a thru-hull drain; flush weekly with boiling water
Mildew Remover	Paste using equal parts lemon juice & salt, or vinegar & salt
Wood Polish	Three parts olive oil to one part vinegar; almond or olive oil (interior unvarnished wood only)
Hand Cleaner	Baby oil or margarine, then clean with soap & water

Request biodegradable and non-toxic boat maintenance products from your marina or marine supply store.
